November 12, 2010

Dear Business Owner,

Thank you for allowing us to place a collection box for small electronics in your store front. We appreciate the support you are showing for our school.

Marshdale Elementary collects the 11 items listed on the box for recycling through Cartridges for Kids. We receive money for each item collected. The money we earn is used to support environmental efforts in our school. Examples of these include: Earth Day celebrations each year, supporting the schools' recycling collection, purchasing green cleaning supplies for our janitorial staff, maintaining our Mustang Trail an outdoor educational tool for students, and sponsoring global environmental issues through non-profit organizations like WaterAid America.

We want the program to be successful. Should your collection box need repair or emptying, or if you have any questions or issues with the program please contact Tara Kulp at 303-526-9664.

Thank you,

Tara Kulp
Marshdale PTA Environmental Committee

Recycle electronics here!

Marshdale Elementary School thanks you for recycling through us. We hope to save hundreds of cell phones from the dump.

Each item earns the school money to use for environmental awareness programs and activities including:

- Earth Day celebrations
- Maintaining the school's recycling collection
- Green cleaning supplies for janitorial staff
- Maintenance on our Mustang Trail (an outdoor educational tool)
- Sponsorship of global environmental issues

We can recycle:

cell phones

GPS devices

iPods

inkjet cartridges

laser cartridges

video games

video game consoles

digital cameras

laptops

PDA's

DVDs
