

Marshdale Recycles Year-Round

To help you keep track of everything Marshdale collects we made this handy reminder. Here's how you can make one for your home:

- Print out the chart.
- Mount it on posterboard or construction paper.
- Have your child decorate it.
- Cut the arrow out of craft foam.
- Use a brad to secure the arrow to the center.
- Post the chart on your fridge as a visual reminder.

Use the arrow to keep track of collection drives/pushes that occur, but keep saving all year!

Marshdale collects & recycles
year-round

Collect from:
home, work, businesses, family, friends
& neighbors
