August 1, 2019

As we gear up for a new school year, we want to say thank you for supporting the Marshdale Elementary fence advertising program. ***Our program will be changing this year.*** Working with administrators and neighbors in the community, we have agreed to try a new location for our fence signs for the next few years. Marshdale Elementary will be rebuilt in the coming years and with the rebuild, a new plan for the location of fence signs and advertising will be implemented. Until then, we will be moving all signs to the fences located on N. Turkey Creek at the Jeffco Bus Barn. Advertising fees will be between \$200-\$500 depending on the location of your sign for the 2019-2020 school year. We feel this move will be beneficial for all involved, and in many cases offer some better advertising locations for everyone. PTA and volunteers will move current signs to the new location starting in September.

We hope that you will continue to advertise with Marshdale Elementary. The proceeds from the advertising go directly to Marshdale Elementary to support Marshdale students. Last year, PTA raised enough money from advertising to update the school's security system, keeping Marshdale students safe.

Please look over the new locations for the signs and select your top two choices for your sign. Locations will be on a first come, first served basis, so please email your request to Sandi Hill-VP of Fundraising @ Marshdalevpfund@gmail.com **no later than Aug. 31, 2019.** Once your request is received, we will assign you a spot and send a new contract for 2019-2020. Contracts and checks must be received no later than Sept. 30, 2019. If we do not receive your contract and check by Sept. 30, 2019, your spot will be given away and we will assume you will not be renewing.

If you would prefer to not renew this year, please let us know and pick up your sign at Marshdale after Aug. 31, 2019. We will hold signs for 90 days. After 90 days, all signs will be disposed.

Thank you for your continued support of Marshdale Elementary. If you have any questions, please don't hesitate to ask.

Sincerely,
Sandi Hill-VP of Fundraising-Marshdale PTA
