

GEMS Girls' Club is a place for girls to belong and be loved. Girls today often look for love, worth, and acceptance in places culture tells them to look: Appearances, emotions, experiences, performance, personality, possessions, popularity, or social media. These things can leave girls feeling emptier than ever, and they miss the Truth that they are already unconditionally LOVED by God. Girls in the club will develop a lasting relationship with Jesus, each other, and their mentors while doing fun crafts, games and dancing. Our curriculum this year is ***The Bible is My Playbook***. We will look at important stories from the Bible, from Genesis to Revelations, and teach these young girls that everything they need to know has already been written in the very first history book, the Bible!
