

STUDENT/ADULT INVOLVEMENT FORM

Directions: On the line for each stage of the project, mark the appropriate percentage that indicates how much work the student did. Examples: If the student did all the work, mark 100%. If the student did most of the work, mark 80%. If there was a more equal sharing of effort between adult and child, mark 60% or 40%. If an adult did most of the work, mark 20%. If an adult did all the work, mark 0%. If something was not done at all, mark Not Done.
